I can do  
this!

A person wearing a light blue t-shirt and dark shorts is captured mid-air, jumping over a rustic wooden fence made of logs. The fence runs across the middle of a grassy field. In the background, there are dense green trees and a cloudy sky. A speech bubble is positioned above the person, containing the text "Whoa!".

Whoa!

If he can  
do it, I can  
too !!

Guess who won the race?

They didn't tell me  
I would be doing  
this.

A group of soldiers in full chemical warfare suits, including hoods and gas masks, are standing on a grassy field. Some soldiers are holding rifles. In the foreground, there are various pieces of equipment and gear scattered on the ground. A speech bubble is overlaid on the image, pointing towards the soldiers. The background shows a line of trees and a building in the distance.

My suit is  
filled with  
charcoal

If the shoe fits, wear it.
